Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, lines 5-6, the limitation "said scoops having a mouth extending..." is confusing because it was not clear whether each of the scoops has a mouth or all the scoops have only one mouth. Also, lines 7-8, the expression "...to the bottom of the disc through the scoops".

Claim 2, the limitation "the scoops have a tail" is indefinite for the same reason as set forth in claim 1.

Claim 4, the limitation "the scoop is connects to..." is confusing.

Claim 11, line 7, the limitation "...with the bottom through the scoop, said scoops equally" is not understood.

Allowable Subject Matter

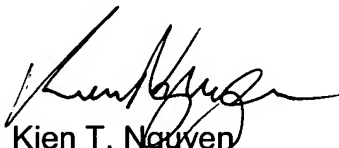

Claims 1-18 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
